INTERIOR SELECTION

This is the fun part! Work with your design consultant to choose interior finishes that complete your vision. Interior finishes include cabinetry, countertops, flooring & more.

A Few Helpful Tips

- Be prepared- bring a list of changes you'd like to make for your first appointment
- Kids don't find decor as interesting as we do- if possible, try to limit their participation
- If you have appliances, don't forget to bring all of their dimensions
- Need more time to decide? Visit our decor centre on Saturdays (check hours in advance), to review finishes
